Written documents:

- **Beginning 1st year** (4 months time from the start; **deadline: 6th Febr.**): your [PhD student Research and Learning Program](#)

- At the **end of each year** you have to present a **written report** approved by your supervisor, that will be also orally presented and formally approved by the PhD Council

- The **thesis**

The **templates** for the Research and Learning Program and for Reports are available on the LERH web site ([Documents](#))

Oral presentations:
- At the **end of each year: a summary of your activities** presented to the PhD Council
- (take advantage of every other event: LERH internal meetings and seminars, workshops, …)

The **Learning and Research Program** for the 3 years, agreed with your supervisor, has to be presented and formally approved by the PhD Council; you will receive a request in 2 months time.

The plan will describe:

a. Your provisional **research project**
b. Your individual **learning program**

To the web

- **You are free to select your supervisor(s)**: the main supervisor should be a member of the PhD Program Council

- The Council will officially approve your main supervisor

… and if you have problems with your supervisor?

Contact:

- the Mediator(s)
-the PhD program Board

- the students' representatives

… the supervisor can be changed, if there are good reasons for this "divorce"!
